4.1.2. Damage to third parties

As part of the contract of insurance with ERGO Insurance SE is car insurance for damages caused to third parties. However, this agreement does not cover damage caused by the incident caused.

4.2. Car insurance of civil liability

All crews have to hand in at Administrative Check a valid International Green Card or OCTA policy. Without this Green card or OCTA policy crew would not be permitted to start.

4.3. Insurance coverage for the competitors and crews

All the drivers and co-drivers are obliged to arrange their own life accident insurance. The proof should be documented on request at Administrative Check. By the fact of signing the entry form, the competitors and/or drivers relinquish any claims to compensations of any kind which might result due to incidents. The relinquishment is applied to FIA, ASN, the Organiser, Officials and other competitors and/or drivers.

Drivers and co-drivers who are not from the EU, must have concluded travel insurance contracts contain active recreation risks.

4.4. Damage reporting

The crews are obliged to notify the Organizer about any damage caused by their car by the end of the event the latest. Violation of this duty stands for summoning the competitor and involved crew to the Stewards meeting.

4.5. Insurance coverage exclusions

Auxiliary vehicles, reconnaissance cars, cars with special Organisers` labels and cars with Officials stickers are not covered by the provided competition insurance (with the exception of insured Organisers` cars) and those are always going on their own responsibility.

4.6. Damage coverage exclusion

The Organizer refuses from any liability for damage that has been caused by a participant due to unfair action either regarding the Rally Regulations and these Supplementary Regulations or the State Law. In case of a road traffic accident neither a service car, or a reconnaissance car and an official`s car with rally markings are considered as crews of the competition. In these cases only car owner third-person`s liability insurance policies are valid.

5. ADVERTISING AND IDENTIFICATION

5.1. Advertising

Competition numbers, Rally plates and Organizers` advertising plates must be affixed on the car before the Scrutineering according to the Appendix Nr. 2.

5.2. Advertising loss or relocation

Violation of Art. 5.1 will be penalized with a refusal to start. For advertising sticker shape or size variation without Organizers` agreement the crew will be penalized with a fine of 100.- EUR for each lost and/or changed or inadequate to Appendix Nr.2 attached advertising. Competitors are allowed to place on a car any advertising in accordance with the regulatory requirements.

Identification of participants must be located on the car in accordance with regulatory requirements.

5.3. Identification and Rally plates

Identifications and competition plates issued by the Organizer must be located on the both front doors of the car throughout the competition. If it is found that during the competition at any location:

It is permitted for all Rally participants to use Fuel in accordance with FIA Technical Regulations. It is permitted for LAF national class cars to use fuel (included E85), which is available for the free trade and the octane number does not exceed 103. When using fuel E85 on the rear side of the car there must have a sticker on the driver's side (Appendix No.2).

It is permitted for participants who participate only in Estonian Rally Championship classification class to use fuel in accordance with Estonian Rally Championship Regulations 2018.

All Rally participants have to submit in the pre-start Scrutineering fulfilled and signed fuel declaration form with proof the fuel used is appropriate Regulations.

Declaration form will be published on the Rally website www.autorally.lv .

7.2. Refueling during the Rally

There will be refueling zones at the exit of each Service park. The exact location will be indicated in the Road book.

7.3. Refueling

Refueling will be carried out only in Rally refueling zones.

During refueling liquid proof mat has to be used. Penalty for non-compliance is 50.- EUR.

Only crew members and their support staff are responsible for compliance with fire safety regulations during the refueling.

8. RECONNAISSANCE

8.1. Registration procedure:

When registering for the Reconnaissance the competitor must provide the Organizer with the information about details of the reconnaissance and service car, as well the National registration number, mobile phone number and accommodation. The Organizer must be informed in time about any replacement of the car. If the crew during Reconnaissance for some reason are forced to change the car, the Secretariat must provide detailed information about the new car.

8.1.1. Rally Security-Tracking-System

The Organiser will provide a Rally-security-tracking-system, which has to be used also during the Reconnaissance in the recce car. If the Rally-security-tracking-system will not be used it is a breach of the Reconnaissance regulations. The progress of the reconnaissance will be monitored via GPS system, by the Latvian Police together with other Rally Officials. Maximum speed limits during reconnaissance will be referred to Rally Road Book. Evaluation of the GPS data is within the competence of Clerk of the Course. If there will be found that the recce car is not equipped with working tracking system, the crew will be penalized according to Stewards decision.

8.1.2. Deposit for Rally Security-Tracking-System

Each participant must pay a deposit for Security and Tracking device - 200 EUR. The deposit will be refunded upon return of the device in working condition.
